“ *In earlier years growing up, we use to call grandma our Groovie Granny. She was full of spunk and always on the move for the family. Early to rise making breakfast, work 9 to 5, and then come home and whip up supper. She loved her grand kids and great grand kids. If anyone was proud hardworking and full of love, it was grandma howard. She always would tell us she worked way up to the age past 70. Yap, we let the good times roll and we will never forget. Grandpa would call her oh woman you ole' fool. Rest if peace grandma... Deb Moulder*
