“ I was so shocked to hear of Benji passing. My father Ron Minton passed away last July ...Benji and my father worked together for years at the sheriffs department. They were very good friends . Benji was a great man who will be greatly missed. I'm sorry for to the family. One of my favorite memories is when I would have breakfast with my dad, Benji, Claude, and Ozzie. I loved hearing all their stories and company.
