“ *I remember back when I was dating Caroline and she was going to introduce me to her Mom. The first thing Helga asked me was 'when did you graduate'. I said 1973 and I could see her figuring up the years. She then said 'You're not a boy, you're a man'. Well even after all that and the 25 years I had with her daughter, she decided she liked me. She was the greatest mother-in-law a man could have. I'm gonna miss you 'MOM'.*
