“ To Jack and Elsie Braddy,s family. I live in Paducah ky, and was neighbors with Jack, Elsie, and Jarrod. I knew Elsie had passed, Jack called me in March 2020 to tell me about Elsie, and that he had lung cancer. I wasn't aware that Jack had also passed. Im so very deeply sorry! I'm currently traveling today, my husband driving, and we were going to be around Mt Vernon. I was going to call Jack and stop by to see him. I Google his name and address, and his obituary came up. I'm so very sorry! I loved Jack and Elsie, we were neighbors for almost 10 years. They were the best neighbors I've ever had in my life!! Loved them dearly, they helped me a lot with my kids, yard, food, clothes etc. I cherish the time that we had together ❤️ Elsie and I cried on moving day, but I understood they wanted to move back to Mt Vernon, to be close to family. You all are so blessed to have had such wonderful loving parents, and my kids and I were also blessed to have them as neighbors. Rest in peace dear Jack and Elsie, you will always be in my heart ❤️ and memories.
