“ Rendall I'm so sorry for your loss. I loved Janet and have many good memories of her. I've eaten many of her cupcakes! She made the punch for my wedding and helped serve. She loved to make people laugh and loved to play jokes on others! When I was very young and didn't speak plainly, she would love to get me to tell my birth date of May the turd! And she would just cackle! I will miss that laugh!

She and my Mom were best friends for years, even shared an apartment together when they were younger. Now they can share heaven! What a reunion Janet is having now. No more pain, suffering, tears and heartache! Now she is experiencing perfect peace and joy!

With our love & prayers to you and your family.

“ Rendell and family I am so sorry for your loss. I know you are sad and hurting now, but try to remember all the good times with her. She is in a much better place now. Growing up she was always such a prankster we never knew what was coming next. She certainly made us all laugh. I always felt special because I was named after her. May she Rest In Peace. Prayers and thoughts are with you.
