“ Jerry was one of my best customers at Associated Lumber. Nancy I wished I had him make one of those barn quilt blocks. He always had a good heart and a smile. He is one of my favorite customers that I remember from the lumberjack. Will miss him.

Jerry, my brother is 2 yrs older than me. He was always busy doing something and I would be so happy when I would get to do things with him. He took after my dad in his ability to take a piece of wood and turn it into something awesome. I have a few things that he had made for me. They will be great reminders of my brother. I already miss you. Dance with some angels for me
