“ *It is so hard to stay in touch with extended family. I remember Josh as a sweet little boy at a family reunion playing with My daughter Jessica- his 2nd cousin. I was able to spend Time with Josh when visiting my cousin Cindi and family in Mt Vernon a few years ago. I found him to be a really nice guy who cared greatly for his family. RIP Josh.* ”

“ Josh always had a jovial way about him. He knew how to make someone laugh so hard your sides would hurt. I have many fond memories of our time together in high school. He will be greatly missed. My deepest heartfelt prayers and condolences go out to his family and friends. He truly was one of a kind.

“ Even though Josh and I grew apart after high school and we went down separate paths in life, the friendship we had and the time we spent together I will always cherish. Those many days cruising in his Black Regal with the Denon volume up high, picking up friends just to be out, and enjoying life without any worry was what it was all about and I wouldn't change a thing from that time if I had it all to do over again. Josh always had my back, was the greatest of friends, and I know he will be missed very much by many. Sending my thoughts, prayers, and condolences to the family and all of his friends during this time of great sadness and loss.
