“ Linda Sue was a friend, mentor, associate and team member with me at Florida Gas Transmission Company for over 30 years. She was a church, professional, charitable, credit union and community leader friend for over 50 years, Linda impacted positively the lives of those who were blessed to have her as a friend, associate and/or team member. She was also a fun-loving family leader with her three sisters and their extended families. She loved her Lord and served as a leader in her church. Enjoying Southern Gospel Music was one of her major ways that she worshipped. Everyone who knew Linda was blessed because of her strong leadership and pleasant demeanor. Linda Sue is with our Lord but those of us left behind will miss her until we see her again.
