“ *Linda was a wonderful sister. That makes this harder. I always knew she was there for me no matter what she had going on in her life, she made the time to talk if you needed her. We have so many fun memories and I am thankful to have had her as my older sister, We were lucky that the 3 sisters (and brother who passed in 2017) were always close, loved each other, and were there for each other at different times when needed. She would offer a shoulder to cry on or be there with a smile and we would laugh about something silly we had done. How lucky we were to have what we had. I am so glad that we always told each other how much we loved each other. I feel like you are still with me but will miss you forever.*

“ We will all miss the crazy Christmas' we used to have and the talks
going to floral tours and bluford auctions which we weren't able to
do this past year. Things won't be the same but you gave me so
many good memories. I love you so much sister even though
sometimes people would think we were mother and daughter at
times or sometimes think I was the older one I know you always
liked that one lol. You will always be in my heart. Xo

“ I will miss Linda so very much! I had the honor of being her doctor these past 5 years and I looked forward to each and every clinic visit with Linda. I especially enjoyed getting to see her son and sister who were with her every step of the journey. She had a wonderful and sharp sense of humor and always had a twinkle in her eye. No matter how things were going, we laughed even though sometimes we cried too. She is one of those rare people that could make those around her feel special and cared about. Through it all, she and I grew to be friends. I have so much respect and love for her. I will miss her very much but I will never forget her. Dr. Kathy

“ i haven't seen Linda much since Kmart closed, i I work with her quite a few years and enjoyed her company and humor everyday that we were together. I feel for her family in this time of need. You will grieve for sometime but always remember her in everything you do, especially if it reminds you of her. God bless Linda and God bless your family. I wish we could all be there to see her off to the Glory Land but I know she will know we are there with her in spirit

“ Linda and I have known each other since probably 3rd grade and were best friends all thru high school We had great times together and so much fun roller skating at the Hub Roller Rink and going to Riverview in the summer - almost daily (we still don't know how we got away with that) and riding horses at Happy Day Stables and boys and so much more. One Sunday morning when I had slept overnight at Linda's we were supposed to be going to church but instead we decided to go horseback riding and while walking down Cumberland Ave. my Mom and Dad drove by and saw us - well that didn't go real well.

I am truly going to miss her kind fun loving spirit. Even though we haven't seen each other in years and years we had reconnected probably 6 years ago and have enjoyed talking about the good old days.

Linda, may you Rest In Peace with your dear son.

“ *I became friends with Linda through working with her at Kmart and our friendship continued long afterwards. She helped me greatly through my bad marriage and always encouraged me to not give up on men. I never got a chance to go dancing with her - wish I had now even if it was to watch. Linda is always a ray of sunshine in the lives she touched. She is going to be greatly missed. RIP Linda -- dance on.*

“ *I got to know Linda going thru Kmart checkout with tons of cat food... we talked about our cats. Ran into her several places and times since she worked there and she was always smiling and friendly, even when she was telling me of her Cancer diagnosis. My love to the family.*

“ Linda was such a fun-loving, great gal. We've known each other since elementary school back in Chicago. We reconnected about 10 yrs ago and have enjoyed chatting on the internet. I know how dedicated she was to her animal friends and I will gladly send a donation in her memory. My sincere sympathy to her family and friends. May she rest in the arms of the angels and reunite with her beloved son.
