“ I got to meet Mallory once. Kind of a surprise visit on our families way home from a UMDf conference years ago. She showed me a beautiful piece of her artwork. We used to Skype with each other and we would tease about having a "Skype Over". She was always happy and cheerful! I will miss her and her humor very much. Love, Rachael Pipp

“ I was so honored to know Mallory and the many blessings she shared with me. With her limitations she had a way of making me feel loved and cherished by her. I spent little time with her but during each visit she made my heart full from her kindness, love and positive outlook. She was blessed with wonderful parents and grandparents who made her life so joyful. God’s blessings and hugs and prayers to her family. Can’t wait to see you in heaven where we can work on art projects. Love Karen Lecke
