“ To Pat and all the kids, So sorry to hear about Martha's passing. It has been some time since we have seen you all but still would think of you now and then. We use to have some good times at the Saddle Club shows and at your house. Craig and Marcie had a lot of good times with your kids. Bryson is good friends with Brittany and went to a dance with her. I don't think he has seen her for awhile. Anyway I think we had a good friendship with you and your family and still consider you as friends. Martha was a very sweet and nice lady and was glad to have known her.

“ I can't recall a childhood memory that didn't include the Hall family. The many trips camping and playing at their house after school. This family is so blessed to have had a wonderful Mother and siblings to look out for each other. When we moved away to Indiana I was 9 years old and thought my childhood was over. I love and cherish every one of those memories. You are in on hearts and prayers forever. Anna Meeler
