“ This will forever be one of my favorite pictures. Mary Ann loved her babies, and I was so happy my grandpa and her were able to come see me in St Louis when I had my daughter. I learned a lot from Mary Ann over the years. Dental floss is an awesome crafting tool and I will never forget that. I treasure the crafts she made me and my kids. Mary Ann was a tough and mighty little woman with a great sense of humor and she will be missed. Prayers for the all the families today.
