“ I was so saddened to hear about Mary passing. I have so many memories of her during our childhood. We were cheerleaders together and neighbors. I'll never forget the shows we would put together at her house and perform for whoever would watch, which as I recall weren't many. Also remember the countless slumber parties. When we were cheerleaders, our cheer sponsor (and I can't think of her name) would have us cheerleaders to her house prior to going to away games. She would always make this chip dip that I still make to this day every time our family gets together. Every time I make it I think of those days. My sympathy to you, Carrell, as I can only imagine how much you will miss her after all those years together. My sympathy also to the rest of the family. Rest in peace, Mary. Heaven has gained another singing angel. Karen Payne Ellis
