“ When my parents home caught on fire. Michael rebuilt the entire kitchen. His carpentry skills were beyond impressive. Always a loving man to his children and grandchildren. I was happy to have him as my brother in law for many years. Rest in peace Mike.. you were loved by many. Your children will always have fond memories of you. 🙏❤️

I knew Mike when we were just kids in high school. He was always smiling and had such a big heart. He was a good friend and a loving father and grandfather. There never was a kinder, more, gentler person. Rest in peace my friend.

*As a child my dad taught me right from wrong, how to respect, and love others, but most of all who Jesus is.
As an adult he became my friend who I could turn to and not be judged- but be encouraged and reminded of the truth, God's word and His love for us all.
Dad, I will miss your stories, jokes, your voice and laugh. Thanks for passing on what matters most-I will continue to pass that faith on to my children, grandchildren, great-grandchildren...until we meet again pops!!❤️ I love you and look forward to seeing you again, until then I will come up with good jokes and brain teasers- so be ready! 😊 it'll be your turn! Bya Pops❤️🥹*
