“ I met Wayne in the mid 90s. He was always a friend. Fuzz was a sweet person and a wonderful host. I hope that his partner knows that he was appreciated and loved.

“ The memories I have of Noel W. Fazekas, our so very vivid as if they were yesterday. From 2002 to Sept. 1, 2008 Wayne and I were not only one in love but, also in love with each other. We have been through thick and thin with each other. I just recently came to the understanding that Noel W. Fazekas had passed away. A year prior I was coming through Mt. Vernon area going home back to Oregon from Orlando. Stopped off for a visit to see him and he was in good spirits. May you live on Fuzz. Mark Hollenbeck
