“ I have so many childhood memories that included Ted and Norma both. I remember always getting to go down to her house to color Easter eggs and she welcomed me just like one of her very own grandkids. She also would take us out by the pond and Lauryn and I would throw dog food to the catfish and watch them all swim up to the water and eat it up. Norma had a heart that loved Jesus and it showed in every single thing she did. I have many fond memories of her and the doors to her home we're always open and that old rotary phone was just waiting for us to play with it. I find comfort in the fact that she is worshipping on streets of gold with our Father, but my earthly heart still mourns our loss. Prayers and so much love to a beautiful family I'm proud to know and love.
